

MARELON® WINCH, TUBING CLIPS & AWNING POLES

Supplied By: American Rigging Supply, Inc.

MARELON® WINCH

Molded of **Marelon**® for exceptional strength, this lightweight winch will easily handle up to 200 square feet of sail. This little winch is ideal for use on the modern trailer-sailor or the small racer. On larger boats it is great for out-hauls and other control lines with relatively low loads. Weighing in at less than one pound you will find many uses for this tough little winch.

Use four 1/4" fasteners (not included).

TELESCOPING AWNING POLES

Ideal for boat awnings, **Forespar**® Telescoping Awning Poles are available in four length ranges to accommodate all boat sizes. Featuring our renown internal twist lock mechanism, the poles feature "eye" type end fittings. For larger boats we offer a special Heavy Duty option. Standard size poles have 7/8" and 1" diameter tubing. Heavy Duty poles are 1" and 1-1/8" in diameter.
