

# Performance Cruising

To order, click here to contact American Rigging Supply, Inc.

## STA-SET™

*Proven performance double braid*

The #1 double braid in America; a strong, flexible and long wearing line.

**BENEFITS** High strength, low stretch, extremely durable, yet still remains soft over time. Easy to handle and splice.

**APPLICATIONS** A true multi-purpose line used for sheets and controls on a wide range of boats from 420s and Flying Scots to keelboats. The ideal line for collegiate programs and sailing schools looking for a high quality line with superior durability and dependability.

- Mainsheets
- Jib Sheet
- Control Line

**SIZES** 5 • 6 • 8 • 10 • 11 • 12 • 14 • 16 • 18mm

### COLORS

*(all with tracers)*

- White
- Green Fleck
- Red Fleck
- Blue Fleck
- Green
- Red
- Blue
- Black

## STA-SET X™

*High strength polyester line*

A high strength, low stretch line with a patented parallel fiber core and a braided cover made from a blend of spun and filament polyester.

**BENEFITS** The strongest and lowest stretch polyester line available. Excellent value - an ideal replacement for wire halyards.

**APPLICATIONS** On cruising boats:

- Halyards
- Spinnakers
- Guys

**SIZES** 5 • 6 • 8 • 10 • 11 • 12 • 14 • 16 • 18mm

### COLORS

*(all with tracers)*

- White
- Red Fleck
- Blue Fleck
- Green Fleck

## REGATTA BRAID™

*Flexible and easy to handle*

A 12-strand single braid made from spun and filament polyester.

**BENEFITS** A soft and supple, easy-to-handle line that runs freely and does not kink.

**APPLICATIONS**

- Mainsheets
- Furling Lines

**SIZES** 6 • 8 • 10 • 11 • 12 • 16mm

### COLORS

*(all with tracers)*

- White

## Why Sta-Set, Sta-Set X Plus, and Regatta Braid Stand Alone

Because our polyester lines are the finest in the business, your entire cruising boat can be rigged using just these three products. Sta-Set established a new standard when it was first produced 38 years ago, and it has since been recognized by the industry as an outstanding value and long lasting line. Size for size, Sta-Set X gives you 30% less stretch and 20% greater strength than any other

all-polyester line because of its patented parallel fiber core construction. An outstanding value!

Regatta Braid is regarded by many sailors as simply the best sheet and control line on the market. Its soft, spun texture makes it easy to handle, and the kink-free single braid design keeps it running smoothly through blocks and purchase systems season after season.
