

# Traditional Vessels

To order, click here to contact American Rigging Supply, Inc.

## CLASSIC™

*Traditional low stretch running rigging*

A continuous filament 3-strand polyester rope.

**BENEFITS** Excellent abrasion resistance with low stretch and high strength. Easy to splice.

**APPLICATIONS** On dinghies and traditional boats:

- Halyards
- Control Line

**SIZES** 5 • 6 • 8 • 10 • 11 • 12 • 14 • 16 • 18mm

### COLORS

White

## SPUN CLASSIC™

*For a traditional look and feel*

A conventional 3-strand spun polyester rope.

**BENEFITS** A soft, free running rope that resists jamming and kinking.

**APPLICATIONS** Classic boats and dinghies:

- Sheets
- Halyards
- Control Lines

Also used as sailmakers' bolt rope.

**SIZES** 5 • 6 • 8 • 10 • 11 • 12 • 14 • 16 • 18mm
